

Digital Exhibit Proposal

Due: Monday, September 28 at 11:59 PM

Value: 50 points

Format: Two-page project proposal

Purpose

Define a narrow, researchable historical question for a six-item public-facing digital exhibit.

Your task

- Write a 25-word working title and a one-sentence question framed around change, comparison, connection, or contested memory.
- Define date range, geography, intended public audience, and why the question matters.
- Identify six plausible item types and provide complete preliminary citations for at least three located items.
- Write a 250-word interpretive rationale explaining the provisional argument and how the items could complicate it.
- Identify one ethical, rights, representation, or accessibility issue and a plan for addressing it.

Submit

- Two-page proposal PDF.
- Preliminary bibliography with at least five credible collections or scholarly sources.

Grading criteria

Criterion	Pts	Full-credit evidence
Question and scope	12	Focused, historically significant, and feasible in six items.
Preliminary argument	10	Interpretive direction is clear without pre-deciding all evidence.
Item and source plan	12	Item types and collections can answer the question.
Audience and public value	6	Defines a real audience and appropriate purpose.
Ethics, rights, accessibility	6	Anticipates a meaningful issue and response.
Form and citations	4	Clear, complete, and within two pages.

Submission standards

Upload a readable PDF unless the handout specifies another format. Include your name, course code, and assignment title. Cite borrowed ideas and retain the editable source file. The learning portal timestamp is the official submission time.
